Dear Judge Pauley:

We respectfully submit this letter-motion pursuant to Rule 1(D) of Your Honor's Individual Practices to request a further extension of time for Taro Pharmaceutical Industries and Taro Pharmaceuticals U.S.A., Inc. to produce documents as required in paragraph 22 of Master Case Order No. 1. Taro's deadline to produce has been extended once previously (at Taro's request), from January 5, 2017 to January 12, 2017. We request that Taro's deadline be extended an additional 14 days, from January 12, 2017 to January 26, 2017.

We seek this additional extension to accommodate the request of the United States Department of Justice, which has requested an extension of the production deadline so that it can consider whether to move to intervene in these cases before Taro produces documents. The DOJ informed us on January 9, 2017 that if Taro's deadline is not extended, it will move to intervene and seek a stay of Taro's obligation to comply with the Court's order to produce the requested materials. Taro consents to the requested extension.

Based on the foregoing, Plaintiffs respectfully requests that the Court endorse this letter, extending Taro's deadline to produce documents from January 12 to January 26, 2017.

Respectfully submitted,

**GIRARD GIBBS LLP**
